How has the b kinder school leadership program had an impact on me?

It has made me understand that even if I make a small change to the world, it will still make a difference. It is like dropping a small stone into a large lake, the splash is small, but the ripples go out far.

the b kinder school leadership program has made me want to be a better person and leader.

It has taught me to look at different perspectives and ideas

It inspired me to be even more kind.

it's had an impact on me because it made me feel like everyone is different and that's never going to change, and people should be friends with someone for their personality not for looks

it has taught me to be a better role model and b kinder to other students

not sure

by showing me different ways to be kind and to be kind to all people

it was good to meet other student leaders from other schools

The b Kinder program has had a big impact on me as a role model to help other and always make sure they're happy and included in games.

i think its taught me to be a better person myself at home, school and in the community but not only me, other people too.

it has shown that being kind is a really good thing to do and to always help and be kind to other people not just my friends and family

it has made me think about kindness problems differently when Danny speaks to us in the workshops to make us understand these problems more.

it has made my life better and changed my views

It has definitely broadened my perspective of making our school a better place for students to enjoy coming to school and meeting new people.

it has made me proud

Its's made me proud for knowing that I'm really kind to others.

yes, I think it has helped me and others in the school and will benefit people in other b kinder schools.

it gave me a different perspective to kindness and what it could do to someone's day or sometimes it could leave an impact that they never forget

it changes my perspective on how to be kind, and it changed my perspective on a lot of things now that i think about it

it has had a good impact on me because I liked it when we got to meet the other b kinder kids from other schools and do the work shops.

I feel like the b kinder program is a really fun and joyful idea which could save peoples lives

it has inspired me to try harder to be kind to me, even if it means I have to go out of my way to do it.

it has been good and makes you how many good and bad things there are in the world and make you want to fix the bad things

I notice a lot of things that happen in school, problems with friend groups and smaller and older kids. I like to ask people if there ok when there upset.

I have defiantly taken more care of myself, other people and the way I see life.

How has the b kinder school leadership program had an impact on my school?

I think that since the school became a b kinder school I have noticed a lot more kindness and a lot less bullying.

the b kinder school leadership program has made students and teachers inspired to live a kind lifestyle after hearing Billies story.

It has made people more aware of things that are happening

I don't know.

My school has changed a lot because of the b kinder program. People have realised that being mean can hurt someone's feeling and now I rarely see anyone being nasty these days.

i think every leader in Swansea Primary school has been kinder and a better role model

not sure

it has taught my school what to do in situations and how to be kind in them

It taught me how to be kinder and show me more respect for our school

It has stopped bullying since it has came around, and I think it should always stay at this school as it helps everyday.

we have came up with ways to help people strive, be kind, use manners and be better people.

it has had an impact on how people act towards each other and how to help and be kind to people

people are defiantly going to start being kinder after hearing what we are doing with the kindness tickets to help people be more kind

good

I think students enjoy us making b kinder days to try and make people Happer!

it has made my classmates more kinder

It's made others around the school be kinder to other people.

I also think that it has greatly helped me and the school and is a good leading opportunity.

I'm not sure

I don't know because I was in France a lot of this year

i think it has made kids happy

I think now that we are a b kinder school it is a better environment at school and it has been good meeting new people

It shows people that being kind can really make a difference in people's lives.

I don't really know

our school is a very kind place most of the time, but the b kinder program has helped with awareness about being kind to everyone, friends or not, everyone matters, and I think the b kinder program has helped people realise that.

gives kids important knowledge about being kind when it comes to behavior towards other people

Can you give an example of your favourite thing you did this year as part of the b kinder school program?

I really liked the b kinder summit because it felt good to see that so many people cared about making the world a kinder place.

my favourite thing i've done as a part of the b kinder program is definitely the summit that took place last week on Friday.

Organising different fundraisers and school events

I don't know.

My favourite part is when the grade sixes did a b kinder play to show the little kids how to line up properly, what ages are allowed to go on the bikes and no calling out.

waking up and putting my favourite badge on which is the b kinder badge

activities

going to the different places to go to the b kinder conferences

hanging out with friends

Going out to another school and seeing how they act as a b kinder school and learning kind ways to solve stuff.

we have went to workshops to find better ways to be a school and respect our peers, we have done a b kinder play on be kinder day, we are working on setting up a b kinder swan

in term 1 or 2 we went to the gp hall and met with two other schools and I learned a lot about bkinder and I met two of my friends from a old school i went to and I thought it was a pretty good time

going to the workshops to learn and meet new people.

the b kinder summerit

I loved B kinder day where we got to go into classes to run some fun activities with the students.

Meeting new people

I really liked the big thing that happened at our school last Friday because that we got to meet new people from different schools.

having the be kinder summit with the other schools and doing the work there.

I like getting to go to different places for it and helping little kids

going to a b kinder conference at the start of the year

the work shops and b kinder day

I think the favorite I have done is the conference we had at our school last Friday

I don't know

going to a different school and taking about some of the impacts of being kind

I loved that we all collaborated in the first conference and how the lady who started the program to talk to us. it was amazing to see everyone learning about how kindness affects us.

Enjoyed the conference we did at the start of the year where we talked to other kids that were also part of the program.
